

TRUST & PROBATE INSURANCE

Along with many other companies, we have had to adapt our working practices to accommodate a fast changing, unprecedented situation. With a collaborative team spirit, agility and a creative 'can do' attitude, we have been able to continue delivering a 'Business as usual' service.

All of our IT, telephony and on line network capabilities have been developed to support flexible, smart working. Using collaborative remote working tools such as Skype, Zoom and other digital means, there are many opportunities to keep in touch with all our clients and partners, no matter what everyone's remote working situation.

The health and wellbeing of our colleagues and those of the businesses we work with is of paramount importance to us. We are committed to supporting you during these challenging times by working safely and effectively and continuing to deliver our services as we always have.

If you would like to speak to one of the team please either contact them directly or call 020 7397 4364 and we will direct you accordingly. Thank you for your ongoing support.

Signed,
